## **FOR IMMEDIATE RELEASE**

### **Biggs Appoints Lando Interim Administrator**

The City Council of Biggs, in a special session Wednesday afternoon, appointed Tom Lando as Interim Administrator, succeeding Pete Carr. The employment contract is effective immediately in order to provide Lando opportunity to smoothly transition from Carr, whose last day in Biggs is scheduled for May 23.

As part-time interim administrator, Lando will keep the city's services running and conduct the recruitment for a permanent replacement. Biggs provides water, sewer and electric utility services directly, as well as street and park maintenance. The city provides police, fire and animal control services by partnership contract with other agencies.

Lando served for 15 years as city manager of Chico, teaches part-time at Chico State, and is principal/owner of Lando & Associates LLC. He serves on the board of directors of several organizations including Enloe Foundation. Lando holds a Doctorate and Master's Degree in Public Administration, and a Master's Degree in City Planning.

Carr will become the city manager for Orland May 24.
