VOLUME 2014, ISSUE 4

From the Mayor's Desk

The 6th Street Bridge replacement project is well underway and is scheduled for completion before the end of summer.

Our General Plan Update has been completed. Phase 1 of the Waste Water Treatment Plant (WWTP) project is on schedule to begin this summer. As a community we should try to conserve as much water as possible.

For information regarding any of these (or other) issues please contact our City Administrator Mark Sorensen at 868-0100.

City Council Meetings are held the second Tuesday of each month at 6:30 p.m. Looking forward to seeing you!

If you have any concerns or questions I am available at 530-518-9471.

Have a wonderful 4th of July!
