**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

**ARTICLE 2 -- CONTRACT CONSTRUCTION, ADMINISTRATION AND  
PROCEDURE**

**2.1 Base Contract and Whole Agreement**

- A. This Agreement consists of two parts, which together constitute the whole agreement between CSD and Contractor.
- B. Part I is the "Base Contract" which consists of the following:
  - 1. The face sheet which specifies:
    - i. the parties to the Agreement;
    - ii. the term of the Agreement;
    - iii. the maximum dollar amount of the Agreement; and
    - iv. the authorized signatures and dates of execution.
  - 2. Article 1, Scope of Work, and Article 2, Contract Construction and Procedure.
- C. Part II consists of the "Administrative and Programmatic Provisions" which are comprised of Subparts A through D, including specified requirements, obligations, provisions, procedures, guidance, forms, and technical materials necessary for program implementation.

**2.2 Budget Contingency Clause**

- A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, CSD shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.
- B. If funding for any fiscal year is reduced or deleted by the State of California Budget Act for purposes of this program, CSD shall have the option to either cancel this Agreement with no liability occurring to CSD, or offer an agreement amendment to Contractor to reflect the reduced amount.
- C. Notwithstanding the language in Sections 2.2 A. or B. above, if CSD believes that funds will be insufficient to allow the State to make LIHEAP payments to Contractor i.e., for the reasons described in Section A. or B. above, then CSD

**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

shall promptly notify Contractor's Project Coordinator. CSD and the Contractor's Project Coordinator shall attempt to amend this Agreement so the LIHEAP payments can continue to the extent possible given the nature of the shortage or unavailability of funding for LIHEAP. The parties agree that it is undesirable to terminate this Agreement for any short-term unavailability of LIHEAP funds and that it would be preferable, if Federal funds are not available for LIHEAP, to suspend LIHEAP until CSD is able to obtain sufficient funding to resume credits to qualified low-income energy customers, as provided for, under LIHEAP.

**2.3 Provisions for Federally Funded Contracts**

- A. It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made.
- B. This contract is valid and enforceable only if sufficient funds are made available to CSD by the United States Government for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by Congress or to any statute enacted by Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
- C. The parties mutually agree that if Congress does not appropriate sufficient funds for LIHEAP, this Agreement shall be amended to reflect any reduction in funds.
- D. CSD has the option to void the Agreement under the 30-day cancellation clause or to amend the Agreement to reflect any reduction for funds.
- E. CSD will notify Contractor's Project Coordinator if federal funds are insufficient for LIHEAP to continue as expected during the next fiscal year or if restrictions, limitations or conditions have been imposed by Congress on the LIHEAP or funding for it as soon as the Federal grant award letter has been issued with some constraint. CSD further agrees that Contractor's willingness to suspend the LIHEAP, as described herein and in Section 5.C. above, does not constitute an agreement by Contractor that: (i) funding for LIHEAP is unimportant or (ii) a delay in crediting a customer with LIHEAP funds is acceptable, to either Contractor or its customers.
- F. Federal Equal Opportunity Laws

During the performance of this Agreement, and to the extent they may be applicable to this Agreement, Contractor agrees to comply with the following:

**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

1. Federal Executive Order 11246, as amended by Executive Order 11375 relating to equal employment opportunity;
2. Title VI and Title VII of the Civil Rights Act of 1964; as amended;
3. Rehabilitation Act of 1973, as amended;
4. Vietnam Era Veterans Readjustment Assistance Act of 1972, as amended;
5. Title 41, Code of Federal Regulations (CFR), Chapter 60, Office of Federal Contract Compliance Program, Equal Employment Opportunity, Department of Labor, as amended; and
6. Public Law 101-336, Americans with Disability Act of 1990, as amended.

**2.4 General Terms and Conditions – “GTC 610”**

In accordance with State contracting requirements, specified contracting terms and conditions are made a part of this agreement. The provisions in their entirety, previously located in Exhibit C of the Standard LIHEAP contract, are now found in Part II, Subpart C of this Agreement and are fully binding on the parties in accordance with state law.

**2.5 Additional Provisions**

- A. Amendment. Changes to this Agreement shall be made by formal amendment with exceptions specified in Section H, below.
- B. Assignment. Neither this Agreement nor any of the rights, interests, or obligations under this Agreement shall be assigned by any party without the prior written consent of the other parties, except in the case where responsibility for program implementation and oversight may be transferred by the State to another State agency. In the event of such transfer, this Agreement is binding on the agency to which the program is assigned.
- C. Cancellation/Termination. Either party may terminate this Agreement by giving thirty (30) days' prior written notice to the other party.
- D. Captions. The captions of the various sections, paragraphs, and subparagraphs are for convenience only and shall not be considered or referred to in resolving questions of interpretations.
- E. Dispute Resolution. Unless otherwise mutually agreed to, any disputes between CSD and Contractor regarding the construction or application of this Agreement and claims arising out of this Agreement or its breach shall be submitted to mediation within thirty (30) calendar days of the written request of one party after

**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

the service of that request on the other party, in accordance with the following procedures:

1. The parties shall make best efforts to settle all disputes arising under this Agreement as a matter of normal business and without recourse to either mediation or litigation. If the parties are unable to resolve a dispute with respect to this Agreement, either party may send a notice to the other requesting a meeting at which senior officers or officials of the parties will attempt to resolve the dispute. If the parties are unable to resolve the dispute within ten (10) days after the meeting notice is received by the party to whom it is directed, or such longer period as the parties may agree, then either party may initiate mediation as set forth herein.
  2. Mediation under this section is a condition precedent to filing an action in any court. In the event of litigation that arises out of any dispute related to this Agreement, the parties shall each pay their respective attorney's fees, expert witness costs, and cost of suit, regardless of the outcome the litigation.
- F. Incidental and Consequential Damages. CSD shall not be liable for incidental or consequential damages including, but not limited to, loss of profits, commitments to subcontractors, rental or lease agreement(s), and personal services contracts, unless expressly authorized in writing by CSD.
- G. Merger/Entire Agreement. This Agreement (including the attachments, documents and instruments referred to in this Agreement) constitutes the entire agreement and understanding of the parties with respect to the subject matter of this Agreement and supersedes all prior understandings and agreements, whether written or oral, among the parties with respect to such subject matter.
- H. Minor Modifications. Contractor and/or CSD may request modifications to make minor adjustments during the contract term to implement process improvements and program efficiencies as appropriate.
- I. Nonwaiver. The waiver by either party of any breach of any term, covenant, or condition contained in this Agreement, or any default in the performance of any obligations under this Agreement, shall not be deemed to be a waiver of any other breach or default of the same or any other term, covenant, condition, or obligation; nor shall any waiver of any incident of breach or default constitute a continuing waiver of the same. All waivers shall be in writing.

**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

- J. Other Agreements. This Agreement shall not prevent either party from entering into similar agreements with others.
- K. Severability. If any provision of this Agreement be invalid or unenforceable in any respect for any reason, the validity and enforceability of any such provision in any other respect and of the remaining provisions of this Agreement will not be in any way impaired and shall remain in full force and effect.
- L. Subcontracts. No subcontracts shall be permitted under this Agreement; therefore, references to subcontractors or subcontracts as part of standard provisions that have been included herein shall have no applicability.
- M. Venue. In the event that suit shall be brought by either party to this Agreement, the parties agree that venue shall be exclusive vested in the State Courts of the County of Sacramento, or where otherwise appropriate, exclusively in the United States District Court for the Eastern District of California in Sacramento, California.

**3.3 Conflict of Interest**

Contractor shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with CSD's interest. During the term of this Agreement, Contractor shall not accept any employment or engage in any consulting work that creates a conflict of interest with CSD or in any way compromises the services to be performed under this Agreement. All financial statements, reports, billings, and other documents rendered shall properly reflect the facts about all activities and transactions handled for the account of CSD.

**3.4 Contractor's Use of CSD's Property**

All records, reports, computer programs, written procedures, and similar materials, documents, or data, in whatever form provided by CSD for Contractor's use in performance of services under this Agreement shall remain the confidential property of CSD and shall be returned immediately upon completion of Contractor's use or upon written request of CSD.

**3.5 Independent Contractor**

Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of CSD.

**3.6 Insurance**

Contractor is a self-insured entity. If said coverage no longer prevails, Contractor will notify CSD within thirty (30) days of said coverage expiration.

**3.7 Labor Code/Workers Compensation**

Both parties affirm that they are aware of the provisions requiring every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms that it is or shall be in compliance with such provisions before commencing the performance of the work of this Agreement (Labor Code Section 3700).

**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

**3.8 Resolution of Governing Entity (Public Utilities)**

If Contractor is municipal entity or otherwise established by a county, city, district, or other local public body, it must provide a copy of a resolution, order, motion, or ordinance of the public entity authorizing execution of this Agreement.

**3.9 Warranty**

Contractor warrants to CSD that the work under this Agreement shall be performed with the degree of skill and care that is required by current, good, and sound professional procedures and practices and in conformance with generally accepted professional standards prevailing at the time the work is performed, so as to ensure that the services performed are correct and appropriate for the purposes contemplated in this Agreement and related specifications.

**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

**SUBPART B – PROGRAMMATIC AND REPORTING REQUIREMENTS**

**ARTICLE 4 – PROGRAMMATIC PROVISIONS**

**4.1 Applicant Eligibility**

CSD’s LIHEAP service provider agencies, and/or CSD personnel in some instances, will process applications and make a determination of applicant’s eligibility for utility assistance based upon pre-established criteria in accordance with federal and state LIHEAP requirements.

**4.2 Payment Issuance and Processing**

- A. Utility Direct Pay Web Service. CSD will host a Utility Direct Pay Web Service (Web Service). Contractor will use the Web Service in order to receive Direct Pay data records from CSD, and to transmit status and “return credit” results back to CSD. The Web Service will replace all current modes of data communication of direct pay data between CSD and Contractor:
1. Contractor must use Web Service operations to retrieve their Direct Pay records and to post resulting statuses for *all* Direct Pay records received from CSD, (full payments, full credit returns, partial credit returns, and any other pertinent statuses).
  2. CSD will no longer accept return statuses via fax, email, or paper transmissions.
  3. CSD will provide Contractor with specifications, documentation, sample code, and test client software, as necessary, to enable Contractor’s use of the Web Service.
- B. Funds provided under this Agreement shall be disbursed and applicant accounts credited in accordance with the provisions of the LIHEAP Direct Payment Instructions (Attachment 1). Payments shall issue in the form of a State of California warrant, along with a Direct Payment Summary (See Subpart D, Attachment 2) via Web Service/FTP transmission. The warrant shall represent the sum total of payments identified in the Direct Payment Summary transmission.
- C. Upon receipt of the warrant, Contractor shall review the associated FTP transmission “batch run” to identify the customers’ accounts to be credited.

**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

- D. Timeliness and Customer Notification of Credit. Contractor shall attempt to credit the accounts of qualified low-income customers by the subsequent billing cycle following the receipt of the transmittal and State of California warrant. Contractor will provide notification of LIHEAP payment to each customer for whom a credit is made. The wording of said notification must contain the words "LIHEAP credit."

**4.3 Payment Verification**

- A. Completion of Direct Payment Summary. Within ten (10) working days of processing a batch run of LIHEAP customer credits, Contractor is responsible for completing and returning the Direct Payment Summary to CSD. The Direct Payment Summary must include the following information:
1. Total number of customer accounts where the Contractor was successful in crediting full amount of eligible LIHEAP benefit;
  2. Customer accounts where the Contractor was only able to credit a partial amount of the eligible LIHEAP benefit, also referred to as Partial Payment Return; and
  3. Customer accounts where the Contractor was unable to credit any of the eligible LIHEAP assistance amount, also referred to as Full Payment Return.
- B. Undeliverable Benefits. In the event that a credit cannot be posted to a customer's account, Contractor shall make reasonable attempts to identify the account and complete delivery. Contractor shall return any undeliverable LIHEAP benefits to CSD within 60 days of receipt of the warrant.

**4.4 Telephone Pledges Under Energy Crisis Intervention Program/Fast Track**

Customers applying for LIHEAP assistance who have received a shutoff or disconnection notice may qualify for the Energy Crisis Intervention Program or Fast Track (ECIP/Fast Track) as determined by the agency or CSD staff processing the application. In order to carry out the purposes of the program and prevent interruption or loss of energy services, an expedited telephone pledge process may be utilized.

- A. Only authorized agency or CSD staff may make pledges on behalf of customers determined eligible for ECIP/Fast Track.

**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

B. Fraud Prevention

If Contractor's personnel responsible for receiving pledges have any concerns or questions about the legitimacy of a pledge, or the caller's authority to make pledges, Contractor should notify the agency's contact person or CSD's Project Coordinator (identified in Article 1.4 of this Agreement) immediately to verify the pledge.

C. Contractor shall post the pledge amount as a credit pending on the customer's account and shall ensure that any scheduled disconnection or termination process is canceled.

D. The agency is responsible for prompt submittal of pledge data to CSD to ensure that Contractor receives the payment as quickly as possible. To ensure prompt payment on pledges, Contractor shall run a quarterly pledge report as provided below in Article 5.1.

**4.5 Assurances**

A. Contractor shall charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the payment amount made by the Department. The actual costs of the home energy shall be consistent with appropriate utility company tariffs as approved by the CPUC, if applicable.

B. No customer receiving LIHEAP assistance pursuant to this Agreement will be subjected to disparate or adverse treatment by Contractor due to receipt of such assistance, in accordance with applicable state laws.

**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

**ARTICLE 5 – REPORTING AND RECONCILIATION REQUIREMENTS**

**5.1 Quarterly Pledge Reports**

On at least a quarterly basis, Contractor shall provide CSD with a summary pledge report including the following information:

- A. Number of pledges received during the quarter;
- B. Average value of pledges;
- C. Number of pledges during the quarter that expired before receipt of payment; and
- D. Average number of days between initial receipt of pledges and delivery of benefit to customers' accounts.

**5.2 Specific Requests for Additional Pledge Information**

To allow CSD to investigate and rectify instances of delayed benefit issuance and/or incidents of potential fraud or abuse in the pledge process, Contractor shall, on an as-requested basis, provide CSD with specific information on expired pledges, including (but not limited to) name of agency/agency representative making the pledge, name and address of customer, and frequency of pledges.

**5.3 Account Reconciliation**

On no less than an annual basis, Contractor shall review and reconcile Direct Payment Summaries as necessary to ensure that any/all undeliverable LIHEAP benefits have been returned to CSD in accordance with Article 4.3 of this Agreement.

**5.4 Additional Reporting Requirements**

Any further reports necessary to carry out the purposes of this Agreement are detailed in the LIHEAP Direct Payment Instructions and the attachments thereto in Subpart D.

**DIRECT PAYMENT AGREEMENT  
PARTS I & II**

**SUBPART C – GENERAL TERMS & CONDITIONS**

**ARTICLE 6 -- GENERAL TERMS AND CONDITIONS – GTC 610**

LIHEAP DIRECT PAYMENT INSTRUCTIONS

HOW TO MAKE A MATCH

**OPEN ACCOUNTS:** If an applicant's utility account is open at the time a LIHEAP payment is received, the full amount of the payment can be applied even if it creates a credit to the account.

It is incumbent upon your company to match payments to the correct account and customer of record to which the LIHEAP applicant has directed the benefit. For this purpose, both the "Customer of Record" and last name of the LIHEAP applicant, "Applicant Last Name" has been provided, as well as an account number and service address.

**CLOSED ACCOUNTS:** If, at the time the LIHEAP benefit is to be applied, and the applicant's reported utility account is closed, you must select and complete one of the three options below:

- 1.) A match can be made with an applicant's new account within the same utility company.
- 2.) If the account is CLOSED with an outstanding balance owed, a partial payment can be made and the difference refunded to CSD with a notation on your printout.
- 3.) If the account is CLOSED with no outstanding balance, the total amount of LIHEAP benefit should be returned to CSD with a notation on your printout.

HOW TO NOTIFY CSD OF PARTIALS AND/OR NON-MATCHES

- 1.) **PRINTOUTS:**
  - Provide the name of the customer of record to whose account the partial payment was applied.
  - Note beside the LIHEAP payment the amount that is being returned to CSD (the difference between the CSD payment and the returned amount is the amount which was credited to the customer of record). If there is a 100% refund to CSD, note the total LIHEAP payment amount.
  - Return the LIHEAP DIRECT PAYMENT SUMMARY SHEET, which accompanies each run of selected payment records, with the number of partials and/or non-matches (See Attachment 2).

**(October 1, 2014 – April 30, 2017  
Direct Pay Agreement)**

- Attach a check made payable to CSD and return your printout/customer information (with partials/non-matches information) and summary page to:

The Department of Community Services and Development  
Energy and Environmental Services

Sacramento, CA 95833

**WHAT IF ALL RECORDS ARE MATCHES**

If you find that all records on a specific run are matches to your client database, you need to notify CSD on the LIHEAP Direct Payment Summary. In the case of a 100% match, the figure in the “Run \$ Total” column would be the same amount as the amount in the “Total \$ Match” column (Attachment 2).
