Agenda Item Staff Report For the Regular City Council Meeting: December 9, 2014

TO: Honorable Mayor and Members of the City Council
FROM: City Administrator
SUBJECT: Conflicts waiver by and between the City of Biggs and Downey, Brand

Council is asked to consider approving a conflicts waiver by and between the City of Biggs and Downey Brand

Background:

If the Council decides to utilize legal services from Downey Brand then Council should consider approval of a conflicts waiver. Downey Brand will disclose any known potential conflicts for Council consideration. For example, Downey Brand does represent Sutter Butte Flood Control Agency in certain matters.

At the time of the agenda preparation the City had not yet received the conflicts waiver from Downey Brand. The document will be sent to Council electronically as soon as it is received from Downey Brand.

Recommendation:

Approve conflicts waiver and authorize Mayor and city attorney to sign.

Mark Sorensen, City Administrator
