

City of Biggs

Agenda Item for the
Next regular City Council Meeting
July 14, 2015 at 6:30pm

To: **Honorable Mayor
And Members of the City Council**

Date: **July 7, 2015**

From: **Brian Martin, PE – City Engineer**

Subject: **Task Order No. 33 to the Engineering Services Agreement Dated June 11, 2011**

Background

On June 21, 2011, the City entered into a professional services agreement with Bennett Engineering Services for City Engineering Services. The task order for City Engineering Services is approved annually by the City Council during its annual budgeting process.

At the June 9th meeting Task Order No. 33 for City Engineering Services for Fiscal Year 2015/2016 was on the Agenda. At that meeting there was a proposed increase in rates. The Council discussed the proposed increase in rates and asked that the City Engineer request that Bennett Engineering Services not increase their rates for one more year. Based on that request, Bennett has agreed to not increase the rates for one year. All services for Fiscal Year 2015/2016 will be at the rates identified for Fiscal Year 2014/2015.

The total not to exceed Task Order No. 33 amount for City Engineering Services for the Fiscal Year 2015/2016 will remain at \$30,000. This is the same amount that has been in effect since the original contract in 2011.

Recommendation

It is recommended that the Council approve Task Order No. 33 and authorize the City Administrator to execute the Task Order.
