

City of Biggs

Agenda Item Staff Report for the Regular City Council Meeting: June 12, 2018

TO: Honorable Mayor and Members of the City Council
FROM: City Administrator
SUBJECT: Donation and acceptance of funds for maintenance and restoration of the 1939 Fire Engine.

By the attached letter we received a request to accept \$6,750.21 for the purpose of maintenance and restoration of the 1939 Fire Engine.

Recommendation:

Authorize the City of Biggs to receive the donation of funds in the amount of \$6,750.21 for the maintenance and restoration of the Biggs 1939 Fire Engine. Direct staff to deposit the funds into Fund 145 "1939 Fire Truck Restoration Reserve".

Mark Sorensen, City Administrator

To: City of Biggs

Re: Volunteer Fire Department funds

As the previous Volunteer Fire Captain for the cities of Biggs and Gridley, I was given control and possession for safekeeping, the funds from a savings account that was developed by the now defunct Biggs Volunteer Fire Department Company 73. The monies were raised by donations and fundraisers with the specific intent of using all funds for the upkeep, maintenance, and repair of the City of Biggs Antique Ford Fire Engine.

As I am no longer active within the volunteer fire department, I would like to request that the funds in the amount of \$6,750.21 are to be added to the current City of Biggs account that is earmarked for the City of Biggs Antique Ford Fire Engine.

Thank you,
