Requirements For A Complete Rezoning Application

The following items are **required** for a complete application:

- Completed Rezoning Application Form
- Completed Environmental Questionnaire Form
- One 8 1/2" X 11" Site Location Plat (Indicate Dimensions)
- Lot and Block or metes and bounds description of the proposed rezone area
- Application and Environmental Fees

Additional information may be required to determine if significant adverse environmental impacts could result from the proposal.

Time Limits

The total time for processing an application is usually 60 to 90 days. However, pursuant to California Government Code Sections 65943 and 65950, the City has 30 days from the date of submittal to determine if an application is complete; and six months from the date of complete application to take final action.

If an Environmental Impact Report is required, the time limit is 90 days after certification of the E.I.R.

Any required public hearing must be held at least 60 days prior to the expiration of the time limit.

Notice of Pending Amendments

Pursuant to California Government Code Section 65945, an applicant can make a written request to receive notice of any pending amendments to: the General Plan, Specific Plans, the land use regulations, ordinances affecting building permits, or to regulations pertaining to development permits, if the amendment is reasonably related to the applicant's project.

Note

By signing the front of this application form, the applicant is indicating that the project site is not included on any state or local list of hazardous waste sites compiled pursuant to California Government Code Section 65962.5, effective July 1, 1987.
