The BCAV is Coming!
The BCAV is Coming!

A new group is forming in Biggs to work on community improvement needed in town. BCAV will carry out projects (in conjunction with city-established objectives and plans) like downtown beautification, street landscaping, and holiday decorations. BCAV may also head up various activities and events.

Under the tax-exempt umbrella of the 3CORE economic development corporation in Chico, BCAV can accept dona-

tions and apply for grants to help fund local projects. This is a terrific opportunity to serve your community, work with old friends, and meet new friends!

The first BCAV project is assisting seniors and disabled with the October 9th Clean-up Day. Call Mary at 868-1289 for more information.

Volunteer Services

Community Clean-up Day

It is that time of the year again...our annual clean-up day. Residents are required to bring their complete utility bill with them, do not separate it until after you have participated.

You are allowed 1 free load to bring stoves, washers, dryers, steel and other items.

Just as last year the event will be from 9am—1pm and no materials will be taken after 1pm. You may unload your vehicles at the corner of Seventh and B Streets.

For senior citizens and handicap residents BCAV is in the process of arranging help with the use of volunteers. If you would like to help or need help, please contact Mary at 868-1289.

For more information on the clean up day please see the flyer with this quarters newsletter and take advantage of this opportunity along with the opportunity to participate in the Tire Amnesty event. Waste Management will be at the same site to accept tires.

Are You an iPhone Reporter?

A vendor of specialized software for iPhones and Android phones is developing an application for community use here

in Biggs. The phone user would snap a photo of neighborhood nuisances and evidence of possible crimes like graffiti and broken windows. With a click the photo would automatically be sent to City Hall with the date, time and location of the subject.

If you have an iPhone

or Android and think you might like to participate in this free “app” please contact Erin at City Hall at 868-5447.

Fire Safety Message

It's that time of year again when we would like to remind everyone to test and change the batteries in their smoke detectors. If anyone has questions, or needs help with their smoke detectors please call your local Fire Station at 868-5834.

Also, with the cold winter months quickly approaching, now is a good time to make sure your stoves and fireplaces are clean and free of debris that could lead to a flue fire.

Falling Leaves And What To Do With Them

Fall is upon us and it is that time of year when we have leaves coming down. Leaves do not belong in the street.

Debris from raking leaves and mowing lawns belongs in your yard carts. Should they be placed in the streets you are subject to a fine from the city.

Please help us keep storm drains unclogged, and sidewalks and streets clear.

Levee Repair Citizen Rep Opportunity

The Sutter Butte Flood Control Agency, of which Biggs is a member, is seeking citizen volunteers to serve on an oversight committee. Volunteers will review activities of the agency and the levee repair project. Biggs City Council Member Mike Bottorff is currently a member of the agency's board of directors.. If you are interested in learning more about this opportunity, please contact Pete at 868-0100.

Website Award Winner: Biggs!

Your city recently earned top honors for the quality of its website. See the award and story at www.biggs-ca.gov

Community Help

Biggs Methodist Church would like to let all citizens know that on the third Thursday of each month there is a free dinner. Dinner is served from 5:30 pm to 7:00 pm.

Also, the church has a food closet that is open on Monday from 10:00am to 11:00 am.

If you need a little help making ends meet please feel free to join for the free meals.

The church is located at 459 D Street. Which is on the corner of Fifth and D.

Upcoming Dates

November 11	Veteran's Day—Office Closed
November 25-26	Thanksgiving Holiday
December 23-24	Christmas Holiday - Offices Closed
December 31	New Year's Day—Offices Closed

Hometown Celebration Donations

Have you always wanted to make a donation to the Hometown Celebration but didn't know how? Well now you can add it to your utility bill. Just make a note on the bill how much you want added or when you bring in your payment let the person at the counter know.

Have a Vehicle you want to get rid of?

If you have a vehicle you are try trying to get rid of, contact the Planning Department staff at City Hall.

Staff has put together a list of places that will take cars and trucks. In some cases they may even pay you a small amount to take them or

Staff also has a hand-out on where you can take unwanted clothes, furniture, used motor oil and other items.
